

# CARAVELLE®

Caravelle watches by Bulova not only feature the latest in fashion styling, but quality workmanship and modern watch technology as well. All this at watch prices everyone can afford.

Backed by the famous Bulova name and reputation for dependability, the Caravelle Collection includes both precision-exact quartz watches, as well as meticulously crafted mechanicals. In an array of fashion styles to suit every taste.

Designs are jewelry inspired. There are elegant diamond dials and integral bracelets, bold day/dates, deep sea models and many more. It is a line to display proudly for its beauty and unmatched value.
