WATCHES

# CARAVELLE<sup>®</sup>

by BULOVA

This year Caravelle celebrates its Silver Anniversary. When Caravelle was first introduced by Bulova in 1961, the requirements were firm. As a Bulova product, it had to be worthy of the name...a leader in fashion design...a symbol of fine quality and craftsmanship...second to none in its modest price range.

Caravelle has achieved and held true to its goal. The 1986 Caravelle by Bulova line, priced within \$50.00 to \$100.00, is evidence of that. It encompasses every in-demand style from classic straps and expansion bracelets to fine jewelry designs and diamond dials. Caravelle is a fashion watch with a precision quartz movement, a beautiful blend of accuracy and creative design. Backed by a two year warranty.

Bulova is proud of its Caravelle line. These past 25 years have proved its merit and its importance in the marketplace today.
